ON THE WAY TO THE TOP

FELIX WIEMERS /

However, we know that it's not only this you need to become an authentic and successful brand. Above all, it is passion and enthusiasm for what we are doing that keeps us going. Near to the mountains, in the middle of nature it's the Reusch team getting things done. Close to where snow sports rule, activated by emotions and motivated by visions we focus on creating the best winter gloves ever. On and off piste we get inspired by real life and make it part of our mission! Being in the snow and experiencing reality, we collect new ideas and add these to our products. It's not at least this common passion that builds up our brand – a brand of character and expertise. Follow our vision, live your values, and most of all be passionate!

CHALLENGE: ACCEPTED

Life is a challenge. It is about big dreams and high aims: winning the race; carving the piste; climbing the mountain. Do you go for it or do you deny? Don't let your doubts be stronger than your dreams.

SET YOUR CHALLENGE AND ACCEPT IT.

Year by year, day by day we accept our challenge. A challenge that captivates us, that determinates our lives. A challenge that follows us all over the world; from isolated mountain peaks to busy city centres where ideas and influences melt together and trends are born.

Our challenge is clear and defines our identity: produce the best gloves for a pure nature experience that will last in your memory forever. The challenge is our engine of innovation.

With tradition, experience and know-how we strive to find the perfect materials, the ultimate fit. We absorb trends and create our own ones. We cooperate with professional athletes and supply them with high-quality gloves for world-class performances. We open our eyes and minds for innovations and stay hungry for more.

THIS IS OUR PASSION, OUR HOBBY, OUR WORK.

THIS IS OUR CHALLENGE.

A young girl is the central figure, smiling and looking towards the camera. She is dressed in vibrant winter attire: a bright pink knit beanie, a matching pink jacket, a dark grey scarf, and patterned ski pants in shades of pink, brown, and black. She holds a pair of black skis with white and pink graphics, including the brand name 'ARNVADE' and 'SANTAM 125'. Her hands are in pink and purple gloves. The background is a vast, snowy mountain landscape under a clear blue sky. A large, semi-transparent pink triangle is overlaid on the left side of the image, containing the text.
